

Health Promotion

Health Promotion Department mission:

To reach out to the community in north Denver and the north and eastern suburbs to provide preventive health education opportunities and connectivity to clinical services.

Health Promotion Department vision:

We envision a day when the community is educated about how to care for their health and there is connectivity to Clínica Tepeyac's services.

Clínica Tepeyac

Clínica Tepeyac is a community-based 501(c)3 nonprofit health care organization that provides medical care while also promoting healthy lifestyles through bilingual outreach education to low-income, working Latinos in the metropolitan Denver area.

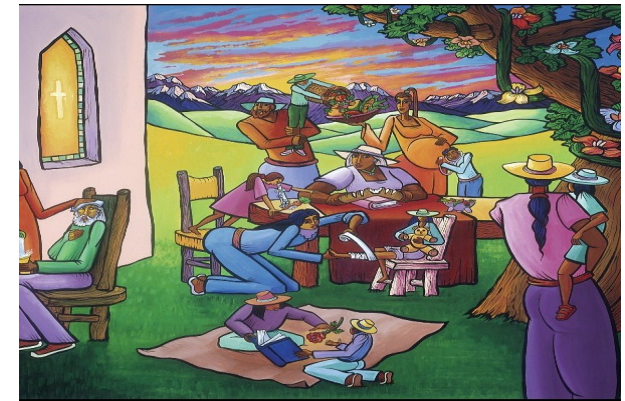

How Do I Qualify for Care At Clinica?

Patients qualify for health care at Clínica Tepeyac if they do not have access to any form of health insurance. Clinic visits are \$20 and patients are also asked to pay additional costs for other services such as lab tests.

Services We Provide

- Primary Care
- Wellness and physical exams
- Diabetes management classes
- Retinal exams for people with diabetes
- Colonoscopy exam once a month, important for those over the age of 50
- Free Mammograms for women over 40 years of age
- Mental health counseling for adults and children
- Health education classes
- Car seat safety classes and car seat installation at a reduced rate

How you can Help

Since 1995, Clínica Tepeyac has been, and continues to be, blessed with the support of local and national foundations, corporations, local hospitals, universities and private donors who donate their time, equipment and money each year. As the demand for services continues to grow, so does the need for financial support and volunteers. If you would like to support the work of Clínica Tepeyac, call 720-274-2923 or visit us on our website www.clinicatepeyac.org.
